# terrafina® lounge – just relax

terrafina® **lounge** boasts a superior design whilst being very functional. Due to a special manufacturing process, the board has a realistic and special wood-finish and texture.

terrafina® **lounge** is unique. Its texture varies from board to board, thereby making the natural wood-look finish more convincing.

The board is fully coated with LIGNOGUARD – an innovative material which guarantees high resistance to stains, and very low maintenance. terrafina® **lounge** is ideal for either fully or partially covered terraces.
